

**In Memoriam Of
Thomas W. "Tom" Jarrett**

Pvt. 4121st Army Air Corps
World War II
Jan. 22, 1926—Sep. 14, 1992

Just like his dad, John E. "Jack" Jarrett, he was a young, patriotic man from the south; Atlanta, who, after graduation, enlisted in the Army Air Corps. The year was 1944 and he was just 18. He wanted to make a difference.

After basic training at Ft. McPherson, among other training, he finally was assigned to the 4121st Air Force Base Unit. He proudly served in this unit all over the United States.

He was Honorably Discharged at Fort Sam Houston, TX, June 1946

After marriage, he went on to become a self-employed, successful Sales Representative.

He will always be loved and never forgotten!
